\$700,000 Sewage Lagoon To Be **Built In Brantley**

accepted a low bid of \$700,000 from Harrington Construction Company of Montgomery to construct a Sewage Treatment Lagoon Complex on the Glenwood Road approximately one mile from the city.

Mayor Willie Smith announced the awarding of the contract recently and stated, "Even though the project will put a financial burden on the town, I feel it is something we have to do, and I think it will be something we can be proud of."

Mayor Smith reported a grant of \$525,000 had been received from the Environmental Protection Agency and added that the city of Brantley would finance the remainder of the project through the sale of municipal bonds. Construction of the Lagoon Complex is scheduled to start January 1, 1978, and the estimated completion date is
